

WHERE LEADERS ARE MADE

DISTRICT 13 TOASTMASTERS

From the District

Hello District 13!

I am honored to serve as your District Director for the 2018-2019 Toastmasters Year. **The District Executive Committee's commitment to you is to uphold the Toastmasters International Core Values: Integrity, Respect, Service, and Excellence.**

The District Mission is *"We build new clubs and support all clubs in achieving excellence."* **The District Executive Committee is committed to building new clubs as well as increasing the membership in our existing clubs.** We have considerable work ahead of us and need your help. We have leadership opportunities to serve our members and our district.

Amy Poehler said, *"Find a group of people who challenge and inspire you, spend a lot of time with them, and it will change your life forever."* As an introvert, I almost didn't join Toastmasters. I did not think that I could be like the amazing speakers I saw at my first club meeting.

District 13 Toastmasters has challenged and inspired me and changed my life forever. I have grown so much personally and professionally and learned to be a better communicator, leader, and listener. **How has Toastmasters changed your life? Are you letting others know?** This is a great way to get guests for your meetings. Tell them how Toastmasters has changed your life personally and professionally.

I challenge each of you to step out of your comfort zone and your club. These experiences will both challenge you and help you grow. I want you to know those successful people whom you look up to, have pushed past their comfort zone in order to reach their current level of mastery.

I am looking forward to supporting you in your Toastmasters journey and making this a great Toastmasters year. As individuals we are strong. Together as a district we are unstoppable.

Sincerely,

Jennifer Sell, DTM
